

Fixed Period Rental

from Hill-Rom

Hill-Rom's fixed period rental service provides you with a cost effective solution when your support surface requirements are predictable. As you understand your ongoing product and service needs so Hill-Rom can plan more effectively to meet your requirements and pass on cost savings to you. This option enables you to treat the same number of patients at a lower cost when compared to daily rental or keep expenditure levels the same and treat more patients, the choice is yours!

- Agree type and quantity of products and rental period at the outset and we will work with you to ensure a smooth transition from your current supplier
- Caregivers have immediate access to Hill-Rom products as equipment is onsite in the hospital
- Product disinfection by ward staff after each patient treatment, additional laundry or disinfection from Hill-Rom available upon request
- Product training for caregivers provided on initial product installation and then to meet your requirements
- Availability of 24hr technical and clinical support
- Pre agreed service response times
- Product selection guide available to aid correct patient and product placement and inline with your protocols
- Full access to a wide range of clinical studies and educational materials to support your clinical decisions
- Can be supplemented by daily rental to meet additional requirements
- Product quantities can be increased at any time to match changing clinical requirements
- Rentals treated as a revenue expense
