

# **Daily Rental**

## *from Hill-Rom*

Hill-Rom's daily rental service combines the best in products, technical and clinical services so you can optimise patient care. Twenty four hours a day, seven days a week, 365 days a year we partner with you for the solutions you need and give you full access to the best Hill-Rom has to offer.

- Maximum flexibility to match changes in clinical need or meet immediate patient specific requirement
- Only pay for only as long as the patient requires the product
- Immediate access to new product innovations
- Clinical advice available to help with correct product selection to ensure the right patient is treated on the right product for the right period of time
- Assurance the most stringent infection control procedures are in place, are audited continuously and updated as necessary. Certified personnel clean and disinfect equipment between each patient placement according to established and externally audited protocols. Product disinfection certification and traceability for peace of mind
- Product disinfection carried out at Hill-Rom state of the art central laundry using procedures developed in consultation with the Public Health Laboratory Service.
- 24hr ordering facility
- Guaranteed service response times for patient specific orders 24 hours per day
- Delivery and product setup in ward area, at the patient's home or other care facility and prompt removal at the end of treatment
- Access to technical and clinical support 24 hours per day, 365 days per year
- Pre-installation maintenance and electrical safety checks of all support systems
- Product training for clinical staff tailored to meet your needs
- Help with product protocol development and access to clinical support services
- Full access to a wide range of clinical studies and educational materials to support your clinical decisions
- Rentals treated as a revenue expense
- Provision of usage and invoicing information allowing correct allocation of expenditure
